BGFIEND DAILY REPORT

June 9, 1951

1. A further attempt to contact the resupply team by the Commo Plane on the night June 6/7. No further attempts are currently scheduled.

(Note, 11 June 1951: I included no motorola contact night June 6th (the last scheduled contact). I did not make the point included in [] full report on the resupply drop i.e.

The field predicated their plans for this Op. on the expectation the efforts to contact team by motorola would fail.
